PROPOSAL SUBMISSION

The process for submission is to complete this form by September 29, 2017.

Only those submissions received on or before the deadline will be considered. The information provided in this form will be reviewed by the conference planning committee. The information contained in this proposal will be published in the conference booklet, advertising documents and agendas so please edit carefully. Submissions should reflect the challenges professionals are faced with in planning, designing, constructing, operating, and maintaining public transportation infrastructure and systems in and around tribal communities.

If you are interested in presenting at this year's conference complete and submit the "Proposal Submission Form" and submit electronically to agnes.fleming@lco-nsn.gov. The planning committee welcomes more than one paper from a proposed speaker, however a separate form will need to be completed for each proposed session. In addition, the planning committee welcomes any suggestions for additional special session topics or speakers.

NOTIFICATION & INFORMATION

Selected presenters will be notified on or about October 6, 2017. If you are selected, you will need to confirm your availability to present by October 13, 2017. Please note that if you are planning to participate in the two-day conference beyond your presentation, you will be expected to register for the conference and pay the conference fee as a participant.
