

# **2019 BIA Transportation Projects Wisconsin Tribes**

# **Contracting Process**

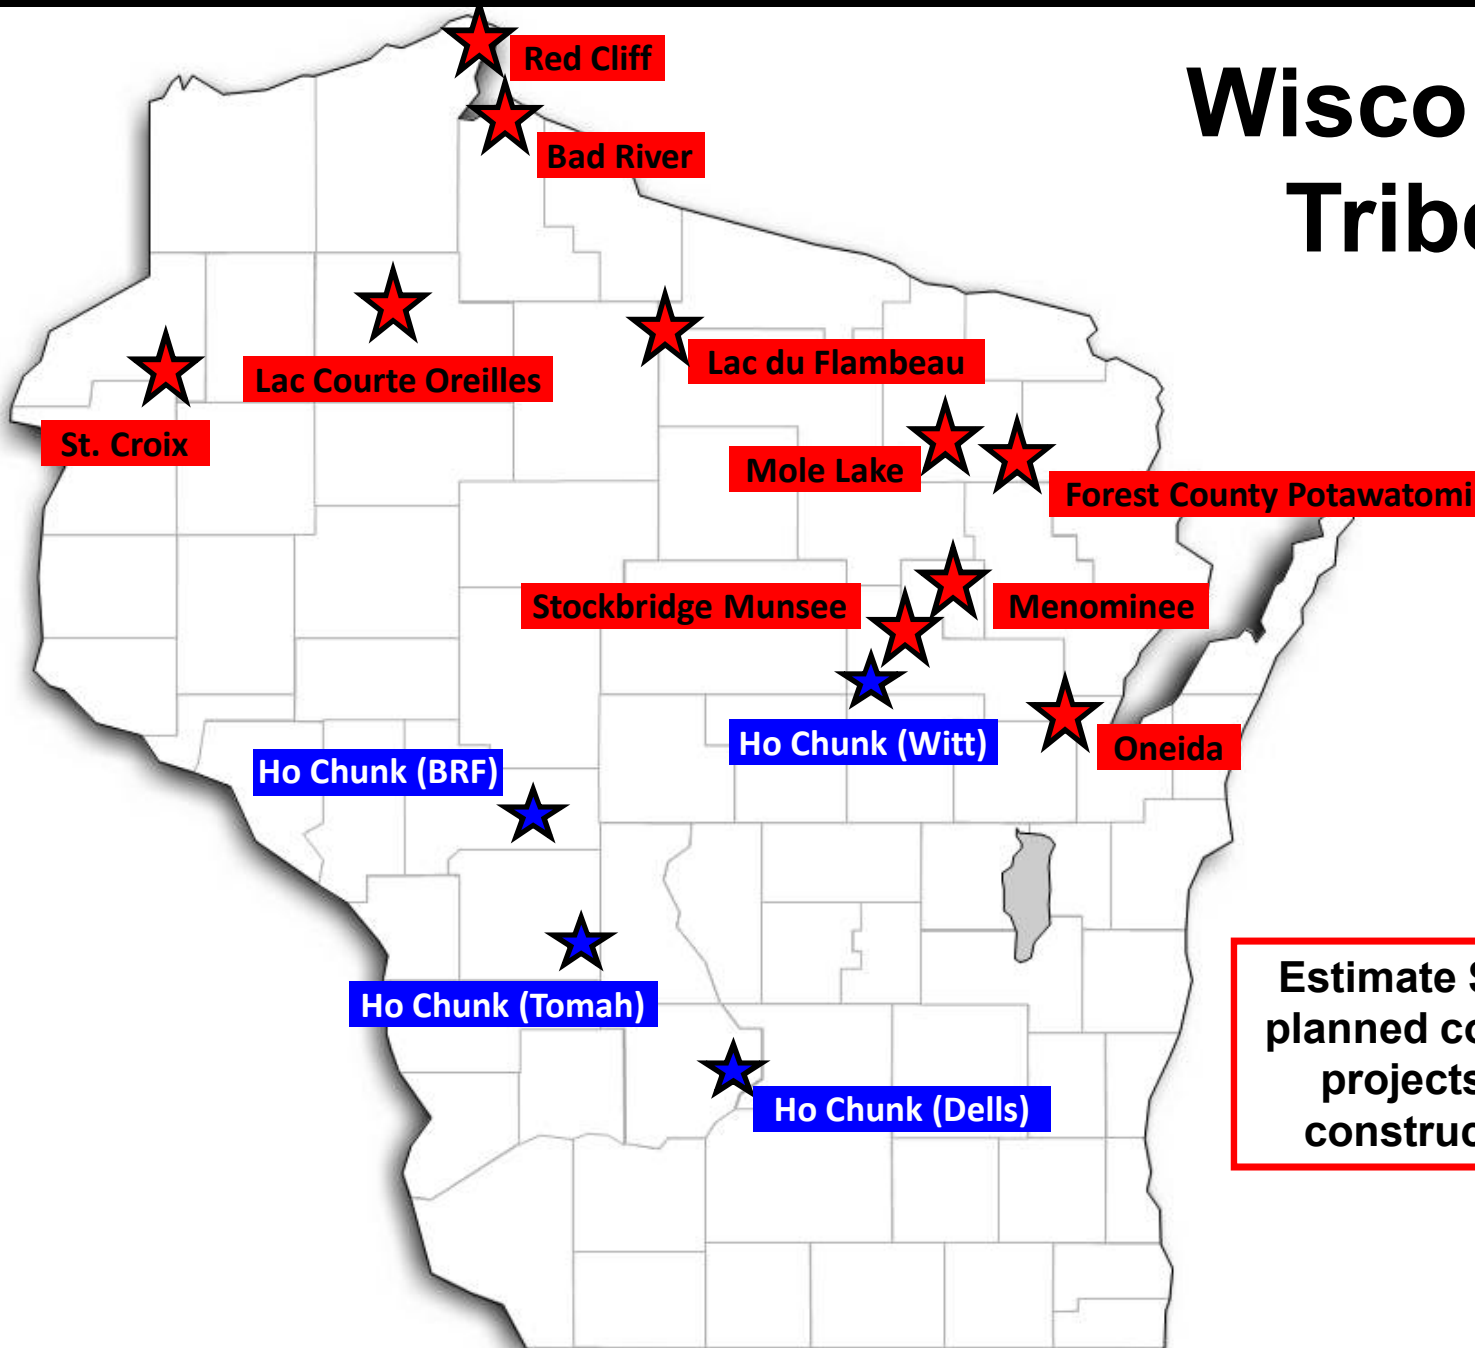

**Tribal Transportation Program Funds and Contract Authority at the Tribal level.**

**Tribes are unique and operate independently. Work directly with each respective Tribe since they solicit and award their own projects.**

**Activities Tribes may look to contract:**

- **Preliminary Engineering (soils analysis, hydrology, road & bridge design, right-of-way, clearances, bidding)**
- **Road and Bridge Construction**
- **Construction Engineering**
- **Materials Testing**
- **Transportation Planning**
- **Road Maintenance**

# Wisconsin Tribes

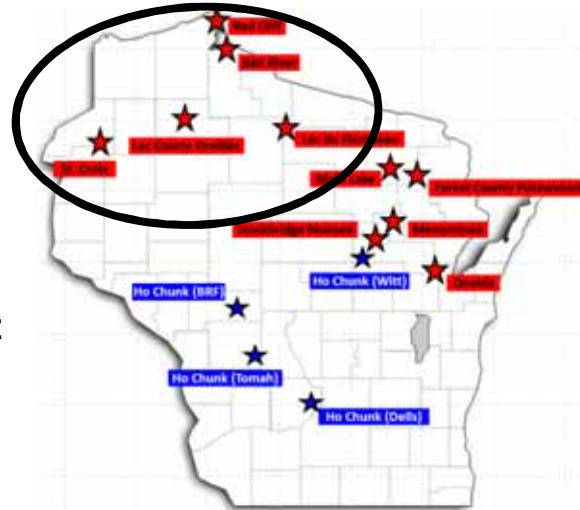

**Estimate \$ 12.5 M in  
planned construction  
projects in 2018  
construction year**

# **2019 Construction Projects**

- **2019 Tribal Transportation Improvement Plans (TTIP) have been requested for all Tribes.**
- **Just starting to receive them back.**
- **Possibility of Tribal Priority changes which could result in projects being removed from the list, projects being added to the list, or both.**
- **Lack of funding may also push projects to the following year.**
