Gary and Agnes will update the draft.</p> <p>Gary and Kevin discussed offering webcasts to assist new NADBE's. Agnes asked if the webcasts could be completed this fiscal year (April 3, 2017). Kevin and Gary noted that an introductory webcast – an orientation – could be completed, and Kevin suggested using GoToMeeting to record the webcast.</p> <p>AICCW would take the lead, and sub-contract with Kevin. Gary will draft the proposal and forward it to Agnes.</p> <p>Additional learning modules/webcasts were discussed for the next fiscal year. Discussion included incorporating Michelle Carter's videos.</p> <p>Discussion was held on 2017 Annual Work Plan. Agnes asked for input on the idea of hosting an Economic Summit. The concerns included conflicting with the Golden Shovel and WTTC events. Kelly noted that this is an aggressive goal that has identified a need. A budget must be developed, and an event planner would be needed to assist Agnes. Kelly also suggested exploring adding this to existing events. She noted that she is not adverse to expanding beyond transportation, and that most Tribes have a economic development arm (business development corporation). Kelly noted this is a big piece and that details need to be defined. The Work Plan identifies an event, and perhaps there are opportunities to partner with other resources.</p> <p>Discussion was held on DBE Outreach & Awareness, and it was noted that enhanced communication is important.</p> <p>Gary will check on the status of the NADBE Directory this week.</p> <p>The final draft of the Annual Work Plan will be presented at the March 14th</p>	<p>Gary & Agnes update GLITC letter regarding TrANS support.</p> <p>Gary draft proposal for NADBE orientation webcast, and next fiscal year's videos/webcasts.</p> <p>Work Team needs to define Economic Summit details.</p> <p>Gary will check on the status of the online NADBE directory.</p>
