WTTC – Agnes asked for suggestions for the WTTC Agenda. Mary Jo shared that she gets a lot of questions from the DOT on easements and right-of-ways and suggested a session with a panel consisting of BIA, Tribes and the DOT. Dave agreed to do a session.

Kris suggested a session on Sovereignty - what does it mean, where did it come from and why are we at where we are now? The background information is enjoyable as well.

Kris also suggested a Government 101 with practical considerations, best practices and building blocks. Agnes suggested this could be a 90-minute session by Samantha. Agnes suggested three separate sessions on Tribal Government session, exercising sovereignty by Samantha:

- Federal Indian Law
- Tribal Government and Sovereignty
- Land Types and Processes

Kris is willing to do a session or tag team with Samantha on Tribal Government.

Mary Jo also suggested a session on Trust Land versus Fee Land.

Agnes suggested that case hypotheticals of right-of-ways in Indian Country and case studies could be a session for Wednesday.
