

Safety & Signage Work Team
Teleconference 7/2/2018

Participating Members: Ryan Greendeer, Kelly Jackson, Todd Mulvey and Kim Swisher (ITTF Assistant).

Notes from Teleconference: The meeting began at 1:30 pm. The group reviewed the July 3rd and August 6th meeting notes.

Youth PSA –

Ryan will talk with Agnes and Cyless, and check if Cyless is staying involved with the project. Kelly noted that Zatrina, the WisDOT intern, did send a notice to Tribes and did receive replies expressing interest. Ryan suggested a “What’s Next” needs to be developed to move forward.

Todd asked how the topic of the Youth PSA is selected, and Kelly shared that the youth shape the message. Todd noted that ATV safety is growing concern, and Ryan noted that the topic may fall under the DNR. Kelly suggested inviting Shelly Allmess, DNR Tribal Liaison, to an ITTF meeting.

Kelly noted that the poster series will likely be revisited this year.

Safety Summit –

Kelly will forward her notes from the Safety Summit so that Agnes can incorporate them into the Safety Summit report.

Other Items –

Ryan is attending the Counties Association Meeting on September 23rd through September 25th. He would like to take WTTC marketing materials with when he attends.

Ryan also asked about a follow-up item from last year’s consultation regarding Hwy 29 access. He thinks Stockbridge-Munsee had a question about a safety study, and was wondering if this has been completed. This will be a follow-up items for the next meeting. The next consultation will be on October 2nd in Mole Lake.

Todd asked if the BOTS Bike and Pedestrian Safety Committee is still going on. Kelly said yes, and forwarded Todd’s contact information to Jennifer Robertson.
