Green denotes project “on or partially on tribal lands”; blue denotes project is touching / adjacent to tribal land boundary

Note: The project list above is not exhaustive. It represents projects that may be of particular interest to tribes due to location or scope. More comprehensive project lists and details can be found here: <http://wisconsindot.gov/Pages/projects/6yr-hwy-impr/proj-info/default.aspx>. Projects are subject to change based on funding availability and other system needs.

* Construction year is an estimation. Due to budget changes or design process challenges, some of the out-year projects may be moved from the scheduled construction year listed here. More projects may be added to this list in an accelerated process dependent upon available funding.
