

REAL ESTATE AND JURISDICTIONAL WORK TEAM MEETING NOTES
March 5, 2019

Participants included Agnes Fleming, Nita Kemp, Todd Mulvey, Dave O'Donahue, Samantha Skenandore, Sandy Stankevich and Kim Swisher.

The teleconference began at 3:03 pm. The group reviewed the February meeting notes and draft agenda for the Real Estate Training.

Agnes, Samantha and Norman talked with Michelle Davidson and Michelle Basina on the agenda and options for the case panel. Samantha reached out to Kathy Curren and Sandy, and as the Menominee project is not yet complete, they recommended holding off on sharing this project at the Training.

The group updated the agenda, and Samantha shared that would like to do a survey regarding Tribal realty laws and utility projects on or near reservation lands. She felt that last year's survey of Tribal real estate offices was helpful, and they suggested a utility survey.

Samantha will develop the questions, and forward Kim the information to be placed in an online survey.

Samantha is continuing to gather information, and has received information from the ILTF.

The group discussed who to invite as panelists, and Sandy will think about who could be included to represent WisDOT's real estate, and reach out to the other liaisons. Agnes will send out a request to Tribal real estate offices. Agnes will check with Norman if he has any suggestions. Kathy Curren will be invited, and Samantha will contact her.

Agnes is hoping to finalize the agenda by Friday. She will forward the updated agenda to Jeremy.

The meeting ended at 3:27pm.
