**TRANSIT WORK TEAM MEETING NOTES**  
**March 5, 2019**

The teleconference began at 8:30 am. Participants included Promise Bakken, Jeff Benton, Michelle Berdan, Agnes Fleming, Evan Gross, Steve Hirschfeld, Carol Moore, Todd Mulvey, Stacey Schreiber and Kim Swisher.

The group reviewed the February meeting notes.

The group looked at and discussed the Rural Transportation Summit agenda. The Summit will be held on April 16<sup>th</sup> in Ashland. Agnes will forward the agenda to everyone. She is considering attending, and is exploring the possibility of inviting the organizers to give a presentation at the Transit Peer Exchange.

The group reviewed the draft agenda for the Transit Peer Exchange. The agenda will be updated to include a tour of the Red Cliff reservation rather than a tour of transit facilities, as Red Cliff doesn't have a transit building.

Agnes is waiting for Lloyd to confirm if he has a meeting room available, or if we will be meeting at the Conference Center.

Following the tour of Bad River's Transit services and an update by BART, the Peer Exchange will be held. No one suggested specific topics, so Agnes suggested keeping it open to allow for conversation.

The meeting ended at 8:45 am.
