*Note:* The project list above is not exhaustive. It represents projects that may be of particular interest to tribes due to location or scope. More comprehensive project lists and details can be found here: <http://wisconsindot.gov/Pages/projects/6yr-hwy-impr/proj-info/default.aspx>. Projects are subject to change based on funding availability and other system needs.

\* Construction year is an estimation. Due to budget changes or design process challenges, some of the out-year projects may be moved from the scheduled construction year listed here. More projects may be added to this list in an accelerated process dependent upon available funding.

## Northeast Region Liaison Contacts with Tribes

May 2021

Tribe	Subject	Follow-up
Oneida	Oneida Nation provided speaker at the recent CTH VV Interchange Brown County groundbreaking ceremony at end of April. NAHP coordination meetings held that same week for the project had good success. Hoffman Constriction is Prime Contractor with work completed in as a carryover in Fall 2022	Liaison sent personal thank you to Councilman Tehassi Hill for speaking at our event. NAHP underway
Oneida	Coordinated with Oneida Nation/Troy Parr on WisDOT's NE Region Transportation Employee Association (TEA) to Adopt a Highway Program (AHP) segment for STH 54 on tribal land.	Tribe gave concurrence on the request. AHP has awarded NE Region group the segment for cleanup. (First cleanup event planned June 4 <sup>th</sup> )
Oneida	NAHP Tribal Coordination meeting held for STH 32 Pulaski (NE Asphalt Prime) on April 15 <sup>th</sup> . Construction pre-construction the following week and work now underway and wraps up in Fall 2021).	NAHP Underway
